

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

The academic session has been a success so far with your continuous cooperation and support. With the additional number of teachers on board to take online classes, we are sure that your ward would be getting more personalised attention this month onwards. The curriculum of this month is yet again limited to a fortnight as first Pre Board Examinations of Classes X and XII along with Periodic Assessments of other Classes are scheduled this month. You will receive all details about the curriculum, question paper blueprints and date schedule to help your ward in his/her studies.

With the resurgence of number of cases of Covid-19 in the city, the school has put a halt to its plan of opening the school for physical classes. A review of the situation will be done in the second week after the first Pre Board. We request you to take due precautions to stay safe as family and do let us know if any additional help your ward requires any time.

The students attending online competitive classes for Sainik School/RMS/RIMC and NDA are expected to ensure maximum learning through each online session. We are determined to provide the Best Learning Experiences to our students, despite limitations of digital media.

Further, we will hold virtual Christmas Celebration on 24th December. Our teachers will share the details of this celebration with the students of I to VIII.

Best Wishes and Happy Celebrations!

With kind regards,

Class Teachers

(Mrs NishaBhadoria, Mrs Punam, Ms Nisha Singh, Ms Shivani Chauhan)

Status Report: The syllabus as proposed for the month of November has been completed.
