5. WEBINAR TEACHING STRATEGIES AND METHODOLOGIES IN SOCIAL SCIENCE.

A webinar on Teaching Strategies and Methodologies in Social Science was conducted on 20 April 2021 by COE Bhopal. The Resource Person was Mr. Anurag Gupta. Webinar was attended by Mrs. Shalu Yadav TGT Social Science Teaching depends on its methods . The methods of teaching must be according to the needs and interests of learners. Methods can be used to motivate students, to clarify, to review and to expand contents.

Main objective of the session was how to make use of a suitable method for making teaching meaningful, interesting and more effective for all learners. As we all know, a good or creative method of teaching can bring out good results even from subject like Social Science which is very vast, so sometimes not able to captivate the attention of many learners.

Further , they discussed, how a teacher should select the teaching methodology by keeping in view several factors like - The nature of the child , subject matter etc.

By using above mentioned techniques it would be easier to make students understand the vast subject matter of social science more easily and it would be gripping for them. Many practically applicable points were shared during the webinar.

6. ENGLISH CALLIGRAPHY COMPETITION

Schools are responsible not only to impart education but to make child a well-groomed individual as well, and it is required that time to time various co curricular activities are organized for students.
