ACTIVITIES OF THE STUDENTS

(A) PUNEET SAGAR ABHIYAAN

On 13th January 2023, Six NCC cadets of Army Public School under the Puneet Sagar Abhiyaan cleaned the water body at Badhawana. Various types of garbage was cleaned by the collaborative efforts of junior NCC cadets of Army Public School Gwalior. The cadets cleaned the near by area that was having heaps of dirt and plastic waste. This cleanliness campaign gave the message that we should keep the water bodies around us clean so that we can use this water for drinking and irrigation as well. This campaign is an important step to spread awareness among people and increase common people's participation in cleanliness drive. With this effort, we can keep the surrounding environment and ecosystem clean and healthy for our future generation and inculcate the value of cleanliness among the students.

PUNEET SAGAR ABHIYAAN

(B) INTER CLASS GK QUIZ COMPETITION

Army Public School, Gwalior organized Intra Class G.K Quiz Competition for the students of class IX and XI on 14 January 2023. The theme of the competition was 'Ek Bharat Shrestha Bharat'. The questionnaire for the competition was prepared by Mr Dharamveer Singh. It was conducted by the class teachers in their respective classes, during CCA periods in 4 rounds. Each round comprised of 8 questions in all. Questions were based on the topics given below:

- (a) India: People and Geography
- (b) Indian Polity
- (c) Art and Culture
- (d) Indian States
- (e) Sports and Sportspersons

Each class was divided into four teams. Students prepared well and participated with great enthusiasm and showed team spirit during the whole event. It was a good learning experience for the students as well as for the teachers. Result of intra class quiz competition-

IX A	TEAM B
IX B	TEAM B
IX C	TEAM B
IX D	TEAM C
IX E	TEAM A
IX F	TEAM B
IX G	TEAM A
IX H	TEAM B
XI D	TEAM A

INTER CLASS GK QUIZ COMPETITION

(C) MAKAR SANKRATI CELEBRATION

MakarSankranti marks the arrival of spring season and it is one of the auspicious festivals celebrated in India. Army Public School, Gwalior celebrated this festival on Saturday 14th January, 2023 with great gusto and enthusiasm. Teachers and all the students of classes 1 to 5 (40-44 students each section) came to school with various sweets made of jaggery and sesame seeds and with colourful kites for “MakarSankranti Celebration and Kite Making and Flying Activity”. The activity took place in the CCA periods in the morning. The school organised various activities like kite decoration and kite flying activity. It was a joyous time for the children as they shared sweet balls made up of sesame seeds and jaggery with their teachers and friends on the occasion as part of the festive spirit. On this occasion, class teachers enlightened the students about the importance of Sankranti and its distinct name in every region.

On the occasion the children showed their innovative, creative and artistic skills by making kites of vibrant and glittering colours. Students were taken to school ground and they had an exciting kite flying experience. It was an exuberant sight to behold little children running around happily and joyfully flying their kites joyfully.

Class	Number of students
I	80

(I) PARIKSHA PE CHARCHA LIVE SHOW BY HON PM NARENDRA MODI

In a Live Show, Pariksha Pe Charcha PM Modi addressed the students of India on 27 January 23 regarding their queries and problems during exams . The students of Army Public School of class IX , X , XI attended the online session of ParikshapeCharcha in school conference room, ATL lab and Computer lab.Approximately 250 students attended the session. The students' questions were collected at prior . The same questions were raised by the students to PM Modi during the Live Chat Show. The students asked about the worries about the disappointing parents about their bad results in exams. They requested PM to guide them. He guided them by giving convincing and reasonable answers with examples of daily life . The students asked how they could avoid use of unfair means during the exams. He told that instead of wasting time on techniques of cheating the students must devote their time in learning the subject. The students asked,“What is more important Hard work or smart work for success”?He gave the example of the story of thirsty crow and told the need to do hard work smartly. He told the need to focus at only those things which are required in our life . Different drills are required for different things. One student asked being an average student how can she make progress in exams ?He asked the student , “How she can value herself as average or below average?” He told that students don't know their capabilities. Link for the Live Show was shared with the students who were at home . The students got right direction for their exams and future life by honourable Prime Minister.

PARIKSHA PE CHARCHA LIVE SHOW BY HON PM NARENDRA MODI

STAIRS FOUNDATION STATE KARATE CHAMPIONSHIP

(M)EDUCATIONAL TRAIL 2023

Army Public School Gwalior organized **Educational Trail Event** for class XI and XII students on 31 January 2023, Tuesday at 1700 hrs onwards. The Theme of the event was **Desert Night**. The programme started with processional music and welcoming of the Chief Guest, Brigadier Sandeep Verma and Mrs Somya Verma. The School Principal, Dr Arvind Kumar Sikarwar presented sapling to the Chief Guest. The cultural programme started with the lamp lighting ceremony by the Chief Guest. Various dance and song performances were given by the students. The Chief Guest addressed the teachers and students. The School Head Boy offered a vote of thanks to the Chief Guest. It was succeeded by high tea. The objective of this event was to provide the senior students an environment away from home, based on the culture, heritage and social practices of Rajasthan as an experiential learning opportunity wherein they imbibed the values related with Indian culture and other practices of the state and also learnt about the rich heritage of Rajasthan through video clips and talk-shows. During the event, the ambience of the State was simulated in the campus and Rajasthani Cuisines were served while the students stayed with their teachers and classmates overnight to experience interpersonal learning, socialization and self-exploration in an adventurous environment of campfire and cultural celebrations. The dress code for the event was traditional Rajasthani wear. The teachers and students followed the theme in their dress code and made the ambience colourful and vibrant.

EDUCATIONAL TRAIL 2023

(N) ONLINE TALK SHOW BY SRI SRI RAVI SHANKR AT BAZZ AUDITORIUM

On 4 Feb 23 The Southern Command Army Wives Welfare Association (AWWA) organized a Live Chat Show under the aegis of Sri SriRavishanker at Bazz Auditorium MorarCantt. The subject of the Live Chat Show was “ Inner Wellness and Stress Management”.MrsJyoti Singh (Yoga Instructor), MrVimalBhadoriya (PTI), MrVinayKadam (PTI) of Army Public School attended the programe. Sri Srishared his views and advised that excessive smartphone use can impair creativity. He told that idle reflection underpins creative thoughts, so being obsessively absorbed in the stupor of smartphone stimulation can prove to be inimical to spontaneous insight. Also, creativity thrives in the absence of distraction, whereas the relentless sensory bombardment through smartphones creates a constant source of distraction. However, any technology can be used in helpful or harmful ways, and a nuanced analysis is inevitably dictated by the prudence with which the technology is deployed. But an indiscriminate, mindless, passive scrolling through social media feeds may hinder creative pursuits while mindful, intentional seeking of novel ideas could inspire creativity.

ONLINE TALK SHOW BY SRI SRI RAVI SHANKR AT BAZZ AUDITORIUM

(O)SESSION ON TIME MANAGEMENT

A brief session was conducted on Time Management for the students of Class X in two rounds in the conference room, Army Public School, Gwalior on 10 February 2023. Approximately 150 students attended the session. The session was conducted by Ms. AishwaryaMaheshwari, TGT Counsellor. The session aimed at helping the students in effective management of their time in the board exams . Various tips on time management along with learning tips were given to the students. Effective time management can reduce the stress level and anxiety among students. They were also suggested some tips regarding reducing examination anxiety. Awareness on the importance of limiting the distractions was provided to them. At the end of the session, other needs of students were addressed too. The major concerns of the students included how to remain optimistic during exams, how to go about revisions and all the feelings associated with the exams. The session was successful in boosting up the confidence of the students needed for appearing in the board exams.

SESSION ON TIME MANAGEMENT

(P) SESSION ON CAREER AWARENESS

A session on Career Awareness was conducted by Ms. Aishwarya Maheshwari, TGT Counsellor for the students of class XI on 10 February 23 in the conference room, Army Public School Gwalior. Approximately 120 students attended the session. The first session was for the students of XI C and D followed by a question answer round. The second session was for the students of XI A and B. It was a brief interactive session with the students in which they were given the opportunity to reflect their skills and interests. They were encouraged by the counselor to interact during the question round. The session commenced with the information about how to choose a career, followed by career options in their respective fields. Another aim of the session was to enlighten them about the Systematic Training and Education Programme by Oberoi group of Learning and Development. The programme will provide a correspondence degree in tourism along with on-site training after 12. At the end of the session, other needs and concerns of the students were addressed too. The pdf of Career Awareness was also shared with the students, so they can look into that and discuss the discipline and field further with the teachers and counselor.

SESSION ON CAREER AWARENESS

WEBINARS/ WORKSHOPS FOR FACULTY ENRICHMENT

(A) FDRC WEBINAR 27/22-23 "CONSOLIDATION PROGRESS REPORT ON GIFTED EDUCATION AND INCLUSIVE EDUCATION"

Webinar No. 27 Progressive Report on Gifted Education and Inclusive Education was attended by Mrs. Gargi Shukla (PRT), Mrs. Neelima Tomar (PRT) and Ms. Aishwarya Maheshwari (TGT Counsellor) Army Public School Gwalior on the subject "Consolidation Progressive Report On Gifted education and inclusive education" from 09 January 23 to 13 January 23. The webinar started with the opening address by MD AWES Major General RK Raina. The feedback was facilitated by Dr. Bhawna Taragi. The feedback from all the schools was taken in the form of presentations. Pilot study on Gifted Education was conducted in 15 schools. One of them is APS Gwalior. In the presentation scheduled for APS Gwalior, the facilitators of gifted education spoke on the behalf of their school. Few topics of maths and science were taught to the selected students. Feedback on Gifted Education and Inclusive Education took place. Schools were required to prepare case studies of children with special needs in their school and were told to present how special educators and counsellors have worked in the area of their development. The presentation of an external agency, Advance Health Care Foundation was also conducted. The webinar ended with a closing address by MD AWES Major General RK Raina. The discussion in the webinar was fruitful. Each school has put its effort in talking about different strategies and ways to implement inclusive education and promote Gifted Students. Feedback from all the parents and students from different schools filled everyone with enthusiasm. Parents were greatly satisfied with the Gifted Education Program which led the teachers and the facilitators to continue the program.

FDRC WEBINAR 27/22-23 "CONSOLIDATION PROGRESS REPORT ON GIFTED EDUCATION AND INCLUSIVE EDUCATION"

(B) FDRC WEBINAR ON STANDARD BLUEPRINT OF QUESTION PAPERS

FDRC Webinar on Standard Blueprint for Question Paper was attended by Mrs Padmaja Gupta(Academic Supervisor Middle Wing), Neelima Tomar(Academic Supervisor Junior Wing), and Renu Tomar(Academic Supervisor Junior Wing) on 12 and 19 January 2023. The webinar was conducted via Zoom from 0330 hrs to 0430 hrs. It was taken by Addl. Dir. FDRC Dr Panwar. The Webinar focussed at the blueprints in the question papers of exams. Academic supervisors, coordinators, teachers of different APS's attended this webinar. Explanation on blueprints according to New NEP 2020 was given by FDRC faculties. Teachers were also asked to search different blueprints provided by CBSE. Discussions took place on the same. Teachers were told to prepare blueprints according to CBSE pattern. APS Gwalior had to prepare blueprints of Mathematics for classes (I – V). Different schools came up with their blueprints and the best blueprints were chosen as the final one. The webinar was successful in providing a platform to all the teachers of APS to discuss their subject's blue print as per NEP.

FDRC WEBINAR ON STANDARD BLUEPRINT OF QUESTION PAPERS

(C) FDRC WEBINAR 28/22-23 "IE FEEDBACK AND CONSOLIDATION"

Ms. Aishwarya Maheshwari, TGT Counsellor, Army Public School Gwalior participated in an online Webinar 28/22-23 : Feedback on Progress of Inclusive Education & Discussion on IE Guidelines. It was conducted from 16 January to 20 January 2023. The webinar started with the opening address by MD AWES Major General RK Raina. The feedback was facilitated by Dr. Bhawna Taragi. The feedback from all the schools were taken in the form of presentations. Schools were grouped together and group leader was chosen by FDRC. Different topics were allotted to each group wherein these schools clubbed together were supposed to give one presentation. APS Gwalior presented the presentation under the leadership of APS Bangalore along with APS Bhopal, APS Kirkee, APS Pune, APS Ahmedabad. The topic of presentation was IEP: Role and Relevance in Inclusive Education. Two external agencies were also a part of the webinar communicating about extending their project into the APSs. One of them was LXL ideas and other was Advance Health Care Foundation.

The webinar ended with a closing address by MD AWES Major General RK Raina. It was a fruitful discussion in the webinar where each school has put in their efforts talking

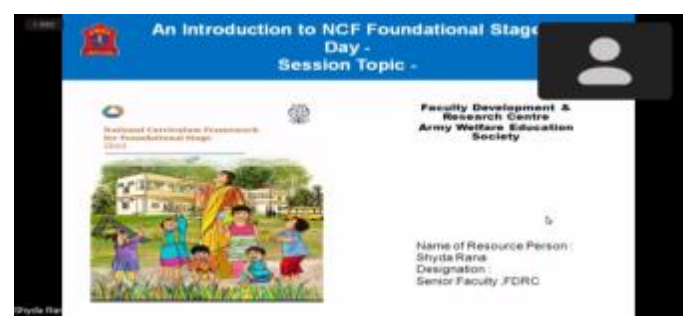

about different strategies and ways to implement inclusive education. From the webinar, multiple topics were comprehended like admission policy, certification and assessment of disabled, pedagogy for IE resource room, leveraging digital technology in the inclusive education, transition of life program for the differentially abled, vocational education and skill learning of CWSN, etc.

FDRC WEBINAR 28/22-23 "IE FEEDBACK AND CONSOLIDATION"

(D) FDRC WEBINAR 29/22-23 "INTRODUCTION TO NCF FOUNDATION LEVEL"

Mrs.Chanderkala PRT, Army Public School Gwalior, attended an online Webinar on, 'Introduction to NCF Foundational Stage' from 23 to 25 January and 27 January 2023. The webinar started with an opening address by MD AWES Major General RK Raina. The other sessions were taken by MrsShydaRana, Dr.PratibhaGarg, Mrs.Neeru Reddy, Mrs.VimlaBalrajMrs, Mamta Singh, MrsAncy James, Dr.BhawanaTaragi, MsAnchimaHazarika, Dr.DeeptiPrabhakar on NCF for Foundational Stage and its different topics elaborating, explaining and making it comprehensible in an easy way. The webinar was extremely useful and informative as it focused on the criticality of Early Childhood Care and Education in Indian traditions, five- fold development (PanchakoshaVikas), contemporary research that underlines its importance to life, the centrality of 'play' in these years and the crucial role played by families and communities at this time. They also discussed and highlighted the vision and core principles that guide NCF. The pedagogy – how children learn at Foundational stage, planning and principles for teaching and mapping with the Pink Book Part 2 was very well presented by the resource persons. Awareness regarding how a learning and supportive ecosystem could help in development of all domains resulting in the holistic development of children was given. The webinar proved to be a good learning experience.

FDRC WEBINAR 29/22-23 "INTRODUCTION TO NCF FOUNDATION LEVEL"

(E) INVITATION FOR THE UNICEF P2E LAUNCH WEBINAR WITH AWES

Invitation for the UNICEF P2E Launch Webinar with AWES. On 13 January 23 an In House Workshop on the subject “Invitation for the UNICEF P2E Launch Webinar with AWES” was organised by MrDharamveer Singh Bhadoriya (PRT) to discuss about the initiatives taken by AWES in the form of successful launching of UNICEF’s Passport to Earning (P2E) program across all the Army Public Schools in India. This workshop was attended by all the Class and Subject teachers of class IX and XI. In this workshop the importance of P2E program was discussed and the strategy to implement this program among the students of class IX and XI was also discussed. 20 teachers of classes IX and XI of Army Public School Gwalior have completed the course by logging in CBSE website cbse.myp2e.org in the last week of January and completed the assigned courses i.e. Digital Productivity, Employability Skills Foundation for School Students and Financial Literacy and downloaded the certificates. This program aligns perfectly with the mission of providing computer and financial literacy among students and teachers altogether. It was helpful to teachers in learning the basics of the courses attended by them.

**INVITATION FOR THE UNICEF P2E LAUNCH WEBINAR WITH AWES****(F) NATIONAL EDUCATION POLICY 2020**

A two day seminar on **NEP 2020** was organized at DrBhagwatSahayCollege, Gwalior on 27 Jan-28 Jan 2023. Mrs Vivian Singh, Vice Principal APS Gwalior and Mrs Preeti Sharma, HOD English attended the seminar. The main objective of the seminar was to create awareness about the newly launched National Education Policy-2020 amongst teachers and to familiarize them with the skills to help them understand its nuances, curriculum changes, shift in the pedagogical skills and its implementation for the holistic development of its stakeholders, the students. Dr Manshram Kushwah, Principal of the college welcomed all the speakers at the beginning of the session. Many eminent professors from the field of Higher Education presented their views on the new education policy. The session concluded with discussion done by the key speakers on the challenges faced in the New Education Policy 2020. Dr J.P Singh said that Designing of pedagogical structures should be more appropriate and effective, based on children’s cognitive and socio-emotional development. There was a Question Answer session at the end of the seminar in which the teachers expressed their concerns and raised queries which were addressed by the

speakers. Dr. Vijay Gambhir proposed the vote of thanks. Participation certificates were distributed to all the participants. It was a very enriching and informative session. All the participants were filled with new zeal to start working on the implementation of NEP 2020 in their own work places.

NATIONAL EDUCATION POLICY 2020

(G)WEBINAR NO.31INTRODUCTION TO NCF FOUNDATION LEVEL

Mrs. Renu Tomar PRT, Army Public School Gwalior, attended an online Webinar on, 'Introduction to NCF Foundational Stage' from 06 to 10 February 2023. The webinar started with an opening address by MD AWES Major General RK Raina. The other sessions were taken by Mrs. Shyda Rana, Dr. Pratibha Garg, Mrs. Neeru Reddy, Mrs. Vimla Balraj, Mrs. Mamta Singh, Mrs. Ancy James, Dr. Bhawana Taragi, Ms. Anchima Hazarika, Dr. Deepti Prabhakar on NCF for Foundational Stage and its different topics elaborating, explaining and making it comprehensible in an easy way. The webinar was extremely useful and informative as it focused on the criticality of Early Childhood Care and Education in Indian tradition, five-fold development (Panchakosha Vikas), contemporary research that underlines its importance to life, the centrality of 'play' in these years and the crucial role played by families and communities at this time. They also discussed and highlighted the vision and core principles that guide NCF. The pedagogy – how children learn at Foundational stage, planning and principles for teaching and mapping with the Pink Book Part 2 was very well presented by the resource persons. Awareness regarding how a learning and supportive ecosystem helps in development of all domains resulting in holistic development of children so that they must become assets to the nation were also addressed. The webinar proved to be a good learning experience for all the teachers.

ARMY PUBLIC SCHOOL, GWALIOR

MONTHLY REPORT FEBRUARY 2023
