

## ARMY PUBLIC SCHOOL GWALIOR

**Dear Parents,**

The first formal assessment of Classes I-XII will conclude in the first week of August. PTM for the said assessments will be organised in the third Saturday of this month, which is a non-working day for the students.

While orienting to parents on academics and assessments, we could learn that the majority of parents are now aligned with the school day to day communications on academics and activities and hence they are now on board to ensure that their wards are regular at school and submit applications as and when taking leave. The school welcomes and encourages parent involvement. This strong home and school partnership is our strength. No matter what your concerns or questions are, we are always available to speak with you. It is an uncompromising commitment at our end to keep the avenues of communication open with our parent partners and that is how we can together direct this school to deliver the best for our students.

The month of August is interspersed with lots of activities for your ward. Activity Planner is already shared with you. We request you to encourage your ward for quality participation in the activities. Further, the students going outstation for Sports events will require all needful preparation well in time so that they get their outstation stay comfortable.

Warm greetings and wishes to you on the festivals in August 2023!

With kind regards,

Class Teachers

(Mrs. Nisha Bais, Ms. Radha Sharma, Mrs. Jayshree Goswami, Mrs. Beenu Kumari, Mrs. Swati Gupta)
