ARMY PUBLIC SCHOOL GWALIOR (MP) MONTHLY REPORT JUNE 2023

PUNEET SAGAR ABHIYAAN

(a) In an effort to restore the natural beauty of a local water body and raise awareness about the importance of preserving our aquatic ecosystem Army Public School, Gwalior organized a cleanliness drive under Puneet Sagar Abhiyan Campaign at Bhadawana water body, in Gwalior on 15 May 2023. Six NCC cadets participated in this event. The cadets cleaned 100 meter area and collected garbage and litter of around 20 kg. The cadets participated in this campaign with great enthusiasm and tried to raise awareness amongst the wider community about the detrimental effects of pollution on water bodies. Puneet Sagar Abhiyan has been started by NCC organization and this campaign would increase awareness about the importance of keeping the water body clean from plastic waste across the country. This initiative instilled a sense of stewardship among the participants. Such initiatives play a crucial role in shaping responsible citizens who will continue to contribute towards a cleaner, greener, and sustainable future.

WEBINAR ON PROMOTING USE OF LIBRARY

(f) A webinar was organized by CBSE on 29 May 2023 at 0400 hrs. on 'Promoting the Use of Libraries and Cultivating Reading Habits'. Mr Bimal Kumar Singh, Librarian, APS Gwalior attended the webinar. The resource person for the webinar was Dr Sarada Chandrasekaran, Director Academics, White Field Global School, Bengaluru, Karnataka. The resource person defined the purpose of library and the type of libraries used by the readers. A library fosters love for learning and promotes creativity and imagination. It also encourages collaboration and social interaction. It also develops information literacy skills. The webinar focused on the innovative use of the library by the new generation learners. The resource person also guided the librarians on how to use the library as a wonderland. The idea of creating classroom libraries and promoting donation of books by the students was also discussed during the webinar. It was an informative learning platform for all the librarians.
