The objective of introducing SSRP is to increase the number of aspirants for the written exam so that an adequate number of deserving and quality students can be shortlisted for enrollment in the project. For this purpose, CSRL is deputing a team who would be vis the various APS, Sainik & Mil Schools and KVs to take up the above mentioned activities with the objective of spreading awareness about the project and identify the deserving students.

7. Keeping in view the above, Competent Auth has directed that for conduct of smooth vis & effective execution of SSRP by reps of CSRL, necessary instrs be issued to Principals of APS, KVs and Sainik Schools by AWES (for APS), MT Dte (for Sainik & Mil Schools) & HQ Comds for KVs situated in/ near Mil Stns to conduct the seminars and written tests.
