

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

November 2024 is upon us—a month rich in joy and triumph, marked by both fasting and feasting, as well as a series of significant observances. The month is characterized by gaiety and celebrations, with various religious, social, and educational events scheduled throughout.

Regrettably, we have noted that student attendance in several senior classes has not met our expectations during the month of October. This situation is disheartening, and we have been diligently following up with students who have been absent or on leave. Your support in this matter is crucial and will greatly enhance the school's efforts, especially as we aim to cover the curriculum in the forthcoming months, which are pivotal for our senior students. We kindly encourage you to keep us informed of any queries or concerns throughout the month, as your communication greatly assists us in understanding the academic needs of your child.

Furthermore, the school has endeavoured to provide ample opportunities for students to engage in various activities over the past few months and will continue to do so until December for all classes, except for Grades X and XII. This initiative aims to foster an environment of learning that extends beyond standard academics, enabling each student to develop essential skills, competence, conviction, creativity, and core values.

Lastly, as the Deepawali festival approaches, we urge you to remain vigilant and advise your child to exercise caution while handling fireworks and other celebratory items. We also recommend minimizing the use of excessive electric lighting to ensure safety during this festive period.

Wishing you all a joyful and safe celebrations!

With kind regards,

Class Teachers

(Ms. Deepti Bisen, Mrs. Beenu Kumari, Mrs. Pooja Yadav)

Class - II

Academic Plan

November 2024

(Sections: Daffodils, Lily, Lotus)
