

## ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

We would like to express our sincere gratitude for your continuous support and encouragement throughout the academic year 2024-25.

February 2025 will be a crucial month for our students, as the curriculum for all classes has almost been completed. We will now be conducting revision sessions for all classes, as final exams for Classes I to IX and XI alongside Board Examination of Classes X and XII are scheduled this month onwards. These exams will be conducted from 15 February onwards. We will ensure that students are provided ample revision, practice, and discussions on each subject. The datasheets along exam blueprint and syllabus will be shared shortly with all parents. In addition, class-wise orientation sessions on exam-related requirements will be conducted by the respective class teachers in due time.

The revision classes will be tailored with individualized learning plans with focus on specific topics and board/annual exam-related queries. Attendance in these classes is required, as these classes will help students address any gaps in understanding and provide strategies for exam preparation. Additionally, faculty will guide students on effective exam techniques. These sessions will also offer students the opportunity to review their exam strategies, particularly in areas where their performance has not met expectations.

A few activities are also planned for this month, as enumerated in February month activity planner. These activities will be organised on a limited scale as we do not want the students to involve much in activities henceforth.

We request you to encourage your ward(s) to create a self-study schedule and wisely plan for the exam days. We request the parents of Classes X and XII to check the date sheet of the board examinations carefully and adhere to the examination centre timings on the examination days while your ward carries all required paraphernalia and admit card etc. We also request you to take care of your ward(s) and monitor their health closely while providing them good support and healthy food. If you require any help at any point of time, please bring the matter to our notice for any counselling and academic support.

We wish our students the best of luck as they prepare for their final exams, and we hope they perform to the best of their abilities.

With kind regards,

Class Teachers
