

## ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

Greetings for the new academic session 2025-26!

The new academic session will begin on 01 April 2025, for all classes, except for Class XI. Provisional classes for XI (Science, Commerce, and Humanities) will commence on 07 April 2025.

During the initial two weeks of April, bridge classes will be organised to help all students make transition into their next grade smoothly. This will allow them to connect with the curriculum of their new class quickly. We encourage you to utilize the said duration to procure uniforms, textbooks, notebooks, stationery, and any other necessary items for your ward(s).

The timetable for all classes will also be uploaded on the school website to share with you via a weblink by 02 April 2025. Please ensure that your child attends school regularly, right from the beginning of the new academic session. We have planned several co-curricular activities (CCA) and other events this month, which will be conducted during the zero period. Details of these activities will be shared with you through our Monthly Activity Planner, which will update you to help your child do needful preparation for participation.

We request you to stay updated on school development to ensure effective communication with us in real time for the academic progress of your ward(s).

Thank you for your cooperation.

With kind regards,

Class Teachers
