

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

We hope you had a refreshing and joyful summer break. As we begin the academic session 2025-26 with fresh energy and focus, we are pleased to share that the curriculum for all classes, from Nursery to Class XII, has been thoughtfully planned to ensure a balanced blend of academic excellence and holistic development. Teachers have begun introducing core concepts and building foundational knowledge in all subjects, tailored to each student's learning needs.

Alongside academics, July is brimming with exciting co-curricular activities that promote creativity, teamwork, and leadership. This month, we are proud to host two major school events — the Investiture Ceremony, where we formally entrust student leaders with their responsibilities, and Vanmahotsava, our annual celebration to promote environmental awareness and tree plantation. These events provide students valuable opportunities to showcase their talents and develop a sense of responsibility and connection with nature.

We look forward to your continued support and active participation in all school activities. Let's work together to make this academic year a meaningful and enriching journey for our children.

With kind regards,

Class Teacher(s)
