

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

September is a month of celebrations, and this year is no different. Across the nation, we celebrate events like Teacher's Day on 05 September, followed by Milad-un-Nabi (Eid). These celebrations are a beautiful reminder of the blessings in our lives!

We also observe Hindi Diwas on 14 September and International Day of Sign Language on 23rd September, marking the day when the Constituent Assembly of India adopted Hindi, written in the Devanagari script, as the official language of the Republic of India. The theme for this month has been chosen in line with these national events, and we look forward to incorporating them into various activities throughout the month.

From the third week of this month, the Term-wise Assessments/Half-Yearly Examinations for Classes Nursery-XII will be conducted. To ensure ample revision time, we have streamlined the curriculum for these classes, focusing on essential concepts and reinforcing key topics before the exams. The question papers will be based on CBSE recommendations, fifty percent questions will be competency based, though slightly moderated in Classes III-VIII. No change in question paper standard will be there in Nursery to II. Accordingly, the practice worksheets will be provided in soft copies. Kindly ensure that your child attempts the worksheets and remains consistent in attending school and dedicates adequate time to their studies, revision, and clearing any doubts.

Wishing you all a Very Happy Teacher's Day!
