

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

As we enter the month of December, we approach a significant phase of the Academic Year 2025–26. With the curriculum for Classes X and XII nearly completed, students will now transition to focused and intensive preparation for their scheduled board examinations. This month holds particular importance for these classes as they consolidate concepts, strengthen competencies, and work towards consistent academic performance.

For Classes III–IX and XI, only a limited portion of the core subject curriculum will be taken up owing to various scheduled CCA activities, events such as Vijay Diwas and Christmas, and the commencement of term examinations from 08 December 2025. These engagements will provide students with opportunities for holistic development while continuing assessment in core academic areas. Additionally, Classes X and XII will appear for their First Pre-Board Examinations beginning 08 December 2025.

By the end of the month, Winter Break will be announced for Classes Nursery–IX and XI, offering families time to plan engagements and travel. However, Classes X and XII will attend extra classes during the break to ensure sustained academic preparation for their forthcoming board examinations.

We urge parents, guardians, and the wider school community to extend their continued support to our students, encourage their efforts, and participate in the scheduled activities and events throughout the month. Let us work together to make December a month of meaningful learning, collaboration, and celebration.

With kind regards,

Class Teachers
