

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

Warm wishes to you and your family for a happy, healthy, and successful New Year 2026. The month of January is a very important phase for our students, as it sets the pace for the Annual and Board Examinations scheduled in February and March 2026. For Class XII students, practical examinations will also be conducted this month as per the CBSE schedule.

To support students during this crucial time, focused revision sessions will be conducted, covering key concepts and extensive practice through sample papers. During the winter break, special classes were/are being organized with experienced external faculty to address challenging topics and meet the specific needs of Board classes.

We encourage students to follow a balanced daily routine, giving due importance to self-care, adequate sleep, and healthy study habits. Regular self-assessment will help them identify areas of improvement and refine their preparation strategies. Maintaining a structured study plan using planners or calendars is strongly recommended, as a proactive and organized approach is essential for success.

January also marks the celebration of national and cultural festivals such as Republic Day, Lohri, Sankranti, and Kite Flying. Subject to management approval and after the Second Pre-Board Examinations, the school may organize an Educational Event or a Farewell Programme for Class XII students as part of their holistic learning experience.

We request parents to stay updated with school communications and extend their continued support in guiding their wards through academics and co-curricular activities during this month.
With kind regards,

Class Teachers
