

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

We sincerely thank you for your continued support and cooperation throughout the academic year 2025–26. February 2026 marks a crucial phase for our students, as the curriculum for all classes has been nearly completed. Final examinations for Classes I to IX and XI, along with the Board Examinations for Classes X and XII, will commence from 17 February 2026 onwards. To ensure thorough preparation, structured revision classes will be conducted for all classes, focusing on practice, concept clarity, and exam-oriented discussions.

Detailed datasheets, examination blueprints, and syllabi will be shared shortly. Class-wise orientation sessions related to examination requirements will also be conducted by the respective class teachers. The revision programme will include individualized learning support to address specific academic gaps and strengthen exam strategies. Attendance in these revision sessions is mandatory, as they play a vital role in effective exam preparation.

Limited activities, as mentioned in the February Activity Planner, will be conducted to maintain students' focus on academics. We request parents to encourage their ward(s) to follow a disciplined self-study schedule. Parents of Classes X and XII are advised to carefully check the Board Examination date sheet and ensure adherence to reporting times, along with necessary admit cards and materials.

We also request you to closely monitor your ward's health and well-being during this period and provide them with adequate support and nutritious food. Should you require any academic or counselling assistance, please feel free to contact the school.

We wish all our students success and confidence as they prepare for their final examinations.

With kind regards,
