

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

The academic session 2020-21 will start from 16th March 2020 for the Classes X and XII. The syllabus for these classes has been limited to fortnight and only core subject classes will be conducted. The new academic session for the Classes I to IX will start from 1st April 2020. The PTM for IX and XI is scheduled on 13th March and for I to VIII on 23rd March. Parents are requested to attend the final PTM for these Classes as per the date schedule from 0900 hrs to 1200 hrs to receive the Report Cards of their ward(s).

Special Classes for entrance examinations for Sainik School/RIMC/RMS for the students of IV, V, VII and VIII and Competitive Examinations like NDA etc. for the undergraduate have been scheduled from 11th to 21st March. The students aspiring for these examinations will be required to avail these classes by the school faculty members in the school. A proper communication will be made to you in this regard later in the month.

Further, it is requested that parents may start procurement of uniform and books for the new academic session. **Use of existing Track Suit for students is to be reviewed. Therefore, the parents will not procure a new pair for their ward.** The students may, however, use the old one if it is not worn out/shabby/faded. We will let you know about the new Sports Uniform at the earliest.

We request you to stay abreast of the school timings next month as it will be revised as per weather conditions. We thank you for your continuous support and regular communication with us in the current academic session. Wishing you a very Happy Holi!

With kind regards,

Class Teachers

(Mrs Poonam Singh, Mrs Saroj Devgan, Mr Niket Joshi, Mrs Archana Shrivastava, Mrs Shalu Yadav, Mr Upendra Gupta, Mrs Ranu Chaturvedi, Mrs Neelu Dixit)
