

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

It is always a great feeling to reach out to you through this Academic Planner. Hope, you are hale and hearty. Month of June was a respite after a long period of lockdown. As each hardship teaches us, this pandemic has taught us a great lesson for life, that is, Health, Hygiene, Cleanliness and Self Discipline are paramount to tide over any tough time. Despite some relief, the threat is still there. It is looming around and the good habits imbibed during the pandemic must go on in our life.

Online classes of students are going on with ease. It is still uncertain when the offline interaction with students would be possible. Though the school has conceived its own system to reach out to children through virtual means and media, yet your role is very crucial to complement to the efforts of the school. It is mainly regarding the regularity and punctuality of your ward. Your each communication will make us go! First online assessment of Class X and XII has been scheduled in July. Your ward will be required to prepare hard for these assessments. Further, the school is going to have some additional curriculum for class VI to VII for vocational learning. Artificial Intelligence, Handicraft, Design Thinking and Financial Literacy are the subjects, which will be discussed in conjunction with the regular subject curriculum. It may take some time for our teachers to learn and deliver the new curriculum, but sooner or later this new programme will enable the students for developing their vocational skills.

The school has also started with a set of Hobby Clubs. The teachers with similar expertise have been detailed to provide some online assistance to students to practice their hobbies. We will revise the time table with some specific activity periods very soon in order to give a change to the students in routine academics. Counseling sessions, special education session for limited students along with classes on life skills, communication skill will also be organized as per feasibility.

We look forward to your cooperation and assistance in achieving the desired results!

With kind regards,

Class Teachers

(Mr. Rahul Shrivastava , Mr. Abhishek Kumar, Mrs. Rashmi Yadav , Mrs. Geeta Sikarwar, Mrs Simi Kumar, Mrs. Renu Singh, Mr. Amit Tripathi

Status Report: The syllabus as proposed for the month of June has been completed.

Class - VIII

Academic plan

July 2021

Sections : Cedar, Dracaena, Juniper, Mchikichi, Birch, Palash, Elm
