

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

February 2020 is going to have a few rescheduled Annual School Events, which were somehow not organized in January due to winter break declared early by the District authorities. Further, Annual Exam Curriculum in all classes is almost completed. We will observe 3rd Pre Board of Classes X and XII in the first week and the final exams of class I to XII starting from 3rd week onwards. We have tried our level best to ensure that the students are provided enough revision, practice and discussion on each subject. Worksheet based on the Annual Exam Curriculum will also be uploaded on the website for final exam practice and revision. Class X Parents are again requested to ensure that their ward(s) avail live classes till 17th February on Mathematics and Science topics through the link as per the schedule shared with them via Whatsapp broadcast.

We will continue with our regular classes/Guest tuition classes by outsourced faculty as per the schedule below:

Classes I to VIII till 20 February 2020, IX and XI till 14th February 2020 (Regular Classes)
