UPDATION OF RECORD OF YOUR WARD

NOTICE FOR SCHOOL DATA / RECORD DEFAULTERS

Dear Parent,

1. It is observed from the School Records that your ward is not enrolled for the current Academic year that has commenced from April 2020. The school office is finding it difficult to reach you on the subject ever since you stopped responding to our mails/messages for over two months now.
2. In case you don't wish to enrol your ward in the next promoted class, in the current session, then please collect the TC. We will be pleased to return your dues.
3. Incidentally, the School office has been functioning since Second week of April. Also, the Academic Staff has foregone their Summer Vacations, to support the student's educational needs.
4. You are requested to approach the school office for the needful on any working day till 01 July 20. Or else, the School Management will feel constrained to mail the TC and remaining dues to your current postal address, starting 07 Jul 20 onwards.
5. Further, the dues will be adjusted as per AWES rules and regulations on the subject.

Always at your Service - Despite the Covid Pandemic Threat!
