

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

At the outset, we convey our sincere thanks to you for making online classes and assessment successful. The academic staff have so far planned their pedagogy meticulously to ensure that e-classes could satisfy the queries of each student and also yield needful results. We have also tried to integrate both synchronous and asynchronous learning through teaching, activities and other kind of discussions online for the holistic growth of students. Now, there emanates a need to call the students for offline interactions at school along with online classes as final exams may be organized offline in all its possibilities in the current circumstances.

The school is in the process to start these offline classes for secondary and senior secondary students in a phased manner, while ensuring all safety measures related to Covid-19 pandemic within the guidelines issued by AWES/CBSE/State Government.

The month of November is the month of celebration and we wish and request that while the festivity would reverberate into each household, you would keep tabs on the academic progress of your ward.

Further, it is assured that the school will take all measures for the quality education of your ward in coming days so that they are prepared well for the annual assessments.

Happy Celebrations!

With kind regards,

Class Teachers
