NON SUBMISSION OF SCHOOL FEE FOR ACADEMIC SESSION 2020-21

Dear Parents,

1. Ref is drawn to the notice 'Updation of Record of Your Ward' dt 27 June 2020 published in the school website and sent to you through Class Wise Teachers' Whatsapp Broadcast and School Digicamp. As also, repeated messages are being disbursed through the same from 11th May onwards. As per our record, the school fee for the quarter ending Jun 2020 in respect of your ward(s) has not been deposited till date nor is your ward attending the classes. Such cases are considered absent as per the school policy in vogue. Repeated requests made by the school in this regard through WhatsApp Broadcast and Digicamp have failed to elicit any response from your side.
3. It is once again requested that you report to school to update the record of your ward or take TC and clear the dues. The school has high pressure of admissions and a number of deserving and eligible students could not be accommodated this session due to non-availability of seats. Your early clearance of dues or taking TC of your child from the school would enable the deserving students in the waitlist to be granted admission and the school Management will appreciate the same as your contribution towards Military Society.
4. In case, no response from your side is received till 7th Jul 2020, it will be presumed that you are not interested in continuing the studies of your ward in APS Gwalior and the name of your ward will be struck off from the nominal roll of the school, as per AWES rules and regulations on the subject. The pending dues, if any, would be adjusted from your security deposit.

NON SUBMISSION OF SCHOOL FEE FOR ACADEMIC SESSION 2020-21

Dear Parents,

1. Ref is drawn to the notice 'Updation of Record of Your Ward' dt 27 June 2020 published in the school website and sent to you through Class Wise Teachers' Whatsapp Broadcast and School Digicamp. As also, repeated messages are being disbursed through the same from 11th May onwards. As per our record, the school fee for the quarter ending Jun 2020 in respect of your ward(s) has not been deposited till date nor is your ward attending the classes. Such cases are considered absent as per the school policy in vogue. Repeated requests made by the school in this regard through WhatsApp Broadcast and Digicamp have failed to elicit any response from your side.
3. It is once again requested that you report to school to update the record of your ward or take TC and clear the dues. The school has high pressure of admissions and a number of deserving and eligible students could not be accommodated this session due to non-availability of seats. Your early clearance of dues or taking TC of your child from the school would enable the deserving students in the waitlist to be granted admission and the school Management will appreciate the same as your contribution towards Military Society.
4. In case, no response from your side is received till 7th Jul 2020, it will be presumed that you are not interested in continuing the studies of your ward in APS Gwalior and the name of your ward will be struck off from the nominal roll of the school, as per AWES rules and regulations on the subject. The pending dues, if any, would be adjusted from your security deposit.

Such cases are considered absent as per the school policy in vogue. Repeated requests made by the school in this regard through WhatsApp Broadcast and Digicamp have failed to elicit any response from your side.
3. It is once again requested that you report to school to update the record of your ward or take TC and clear the dues. The school has high pressure of admissions and a number of deserving and eligible students could not be accommodated this session due to non-availability of seats. Your early clearance of dues or taking TC of your child from the school would enable the deserving students in the waitlist to be granted admission and the school Management will appreciate the same as your contribution towards Military Society.
4. In case, no response from your side is received till 7th Jul 2020, it will be presumed that you are not interested in continuing the studies of your ward in APS Gwalior and the name of your ward will be struck off from the nominal roll of the school, as per AWES rules and regulations on the subject. The pending dues, if any, would be adjusted from your security deposit.

NON SUBMISSION OF SCHOOL FEE FOR ACADEMIC SESSION 2020-21

Dear Parents,

1. Ref is drawn to the notice 'Updation of Record of Your Ward' dt 27 June 2020 published in the school website and sent to you through Class Wise Teachers' Whatsapp Broadcast and School Digicamp. As also, repeated messages are being disbursed through the same from 11th May onwards. As per our record, the school fee for the quarter ending Jun 2020 in respect of your ward(s) has not been deposited till date nor is your ward attending the classes. Such cases are considered absent as per the school policy in vogue. Repeated requests made by the school in this regard through WhatsApp Broadcast and Digicamp have failed to elicit any response from your side.
3. It is once again requested that you report to school to update the record of your ward or take TC and clear the dues. The school has high pressure of admissions and a number of deserving and eligible students could not be accommodated this session due to non-availability of seats. Your early clearance of dues or taking TC of your child from the school would enable the deserving students in the waitlist to be granted admission and the school Management will appreciate the same as your contribution towards Military Society.
4. In case, no response from your side is received till 7th Jul 2020, it will be presumed that you are not interested in continuing the studies of your ward in APS Gwalior and the name of your ward will be struck off from the nominal roll of the school, as per AWES rules and regulations on the subject. The pending dues, if any, would be adjusted from your security deposit.

Dear Parents,

1. Ref is drawn to the notice 'Updation of Record of Your Ward' dt 27 June 2020 published in the school website and sent to you through Class Wise Teachers' Whatsapp Broadcast and School Digicamp. As also, repeated messages are being disbursed through the same from 11th May onwards. As per our record, the school fee for the quarter ending Jun 2020 in respect of your ward(s) has not been deposited till date nor is your ward attending the classes. Such cases are considered absent as per the school policy in vogue. Repeated requests made by the school in this regard through WhatsApp Broadcast and Digicamp have failed to elicit any response from your side.
3. It is once again requested that you report to school to update the record of your ward or take TC and clear the dues. The school has high pressure of admissions and a number of deserving and eligible students could not be accommodated this session due to non-availability of seats. Your early clearance of dues or taking TC of your child from the school would enable the deserving students in the waitlist to be granted admission and the school Management will appreciate the same as your contribution towards Military Society.
4. In case, no response from your side is received till 7th Jul 2020, it will be presumed that you are not interested in continuing the studies of your ward in APS Gwalior and the name of your ward will be struck off from the nominal roll of the school, as per AWES rules and regulations on the subject. The pending dues, if any, would be adjusted from your security deposit.

Repeated requests made by the school in this regard through WhatsApp Broadcast and Digicamp have failed to elicit any response from your side.
3. It is once again requested that you report to school to update the record of your ward or take TC and clear the dues. The school has high pressure of admissions and a number of deserving and eligible students could not be accommodated this session due to non-availability of seats. Your early clearance of dues or taking TC of your child from the school would enable the deserving students in the waitlist to be granted admission and the school Management will appreciate the same as your contribution towards Military Society.
4. In case, no response from your side is received till 7th Jul 2020, it will be presumed that you are not interested in continuing the studies of your ward in APS Gwalior and the name of your ward will be struck off from the nominal roll of the school, as per AWES rules and regulations on the subject. The pending dues, if any, would be adjusted from your security deposit.
