

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

It has been four months of online schooling for our students and this new mechanism of curriculum transaction has steadily become agreeable and appealing. While orienting to parents on Online Classes nowadays, we are given to understand that majority of parents acknowledges the school efforts. We thank all parents for their consistent support and we are resolute to grow further in the areas of genuine parent concerns.

The school welcomes and encourages parent involvement in the operation of day to day academics. This strong home and school partnership is our strength. No matter what you concern or question, we are always available to speak with you. It is an obligation and an ongoing commitment at our end to keep the avenues of communication open with our parent partners and that is how we can together navigate this school to deliver the best for our students during this pandemic.

The students of Classes IX and XI will take their online supplementary and improvement examinations in August 2020 and we are sanguine that our children will use this one time opportunity to perform for promotion.

Warm greetings and wishes to you on the festivals in August 2020!

With kind regards,

Class Teachers
