

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

At the outset, we thank you for your wholehearted support to school administration in reopening the school for physical classes. Your being on board with us strengthens the partnership between the school and parents and provides us conducive environment to build much more engaging pedagogies to reach out to your ward(s).

During the pandemic, we are at the crossroads. Things are changing swiftly and while students opting either offline or online classes, the education at school is under tremendous stress. This is a very alien situation that none of us is used to. Hence, your support with good communication will enable us to deliver the best for your ward(s).

The month of October is also a month of gaiety and celebrations, as the students will have both a refreshing autumn break and a few religious and social events. We are sure that the break will revitalize them to perform with much more energy in coming months.

The school is going to schedule a practice test, based on OMR sheet for both X and XII students in order to prepare them further for Term I examinations. The tests will be conducted in offline mode only, while making the attendance of all students mandatory. We request the parents to consent for the same so that the students could be oriented on the new mode of Board Class evaluations.

Physical Classes for I-V would be started in mid-October after the Autumn break. The parents who have already submitted the Google consent form will send their wards to school, while adhering to Covid-19 protocol for their ward(s).

Class X and XII will have Curriculum Reinforcement Classes from 06-09 October 2021. Schedule for the same will be shared with you shortly. Please do ensure that your ward attends these extra classes.

Happy Celebrations!

With kind regards,

Class Teachers

(Mr. Upendra Gupta, Mrs. Preeti Sharma, Mrs. Archana Bhargava, Mr. Yogendra Singh Chauhan)
