

## ARMY PUBLIC SCHOOL GWALIOR

**Dear Parents,**

The curriculum for May 2020 is limited to twenty days only, starting from 11th May. Unlike the previous month practice worksheets, you will now receive weekly Test Papers from May last week onwards on each subject in Google Form Format. Your ward will be required to attempt these tests online each Sunday. Therefore, it is requested that s/he attends classes regularly. Earlier, it is informed that attendance in online Classes and taking online tests is mandatory and the school will take due administrative action on the students, who fall absent and do not respond. Here, it should be acknowledged that the school is trying to do its level best to provide all kinds of online support to students and your supervision at home for both attendance and home assignments will make the learning possible.

Moreover, as it is now evident that most of the parents and students have accepted this remote method of teaching and learning as the new normal, we may increase number of classes each day. Therefore, in sibling cases of time clash, parents should arrange additional Electronic Gadgets and Good Internet Connectivity for their wards in the next one week.

Notes for this month will also be provided to you, which teachers will share shortly.

We are sure that through our collaborated efforts in this phase of Covid-19, the learning of our students will go on unhindered as in traditional classroom and they will value each session to draw maximum learning.

With kind regards,

Class Teachers

(Mrs. Chandrakala, Ms. Neelima Tomar, Ms Kanupriya Arora)

**Status Report:** In the wake of Pandemic Covid-19 and suspension of in-person classes in school, the syllabus as proposed in April 2020 has been completed by 10th May through virtual classes.
