

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

Greetings of the New Year 2021!

To be very honest, Year 2020 was a year to check with our willingness to adapt and change ourselves and it is extremely commendable that you have accepted the change in the educational scenario too, along with a lot in your personal and social domains. Remember, the new change is not just a change, but a step forward towards transforming the academic landscape of the World and its widespread significances in human life will be seen in the coming years. It is a new world order and the harder we prepare ourselves for it, the better we will grow. Therefore, it is requested to continue with each bit of learning of the year 2020 and also acknowledge each breakthrough into technology-driven learning to achieve the best for your wards.

Further, our students have now drawn nearer to the final phase of this academic session and therefore, it becomes an utmost necessity on our part to ensure that they are provided subject-wise fine-tuning for their final evaluations/assessments. We request you to ensure that your ward stays regular in classes for revision and practice and appears in all classroom e-tests and other assessments.

The month of January calendars Lohari and Makar Sankranti and we are sure that you will observe these celebrations and the opportunity for socialization within safety constraints.

Please feel free to communicate with us whenever necessary for any school related matters.

With kind regards,

Class Teachers

(Mrs. Mithlesh Chauhan, Mrs. Mamta Naruka, Mrs. Sunita Bhadouria)
