

ARMY PUBLIC SCHOOL, GWALIOR

SUPPLEMENTARY EXAMINATION OF CLASS IX AND XI (SESSION 2019-20)

Dear Parents,

1. Supplementary Examination for compartment/failure students of Class IX and XI will be held tentatively from 06 July onwards. These exams will be extended to the students of classes IX and XI of previous Academic Year (2019-2020) who had failed partially or in all their respective subjects.
2. As one time measure, following the CBSE Circular CBSE/CE/2020 dated 13th May 2020, if they do not qualify, they will repeat the same class which they failed to clear.
3. Date sheet of the examination is attached here. It will also be uploaded on the website for easy access to all concerned.
4. The exams will be conducted in school itself, following all Covid-19 protocols and health safety measures. Parents will be required to submit their consent along with the health status of their ward(s), their locality status if that be in the containment zone or any other similar unavoidable reason if their ward(s) are unable to physically appear in the Supplementary Exams. These details will be accessed in Google form format tomorrow.
5. Parents are requested to ensure that their ward(s) prepare for these exams sincerely.
6. Further, these students if attending online classes for the next higher class (for which they are not eligible yet) ie Class X and XII as on date, **should not appear in the first Periodic / Unit Test**. Depending upon whether they pass the Supplementary Exam or otherwise, they will be tested separately for their first Periodic/ Unit Test for the class they are eligible.

Best Wishes!

With kind regards,

Principal

Army Public school Gwalior
