

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

Happy New Year 2020!

The month of January is very decisive for our children as it will set the momentum for preparation of their final examinations in February and March 2020. Practical assessments of XII are also scheduled this month. Further, as this month is interspersed with a few community festivities, activities and celebrations like Lohari and Kite flying, Reminiscence and Educational Trail, and Republic day, it is requested that we together keep the tabs on our children to stay focused and regular on their academics. Further, 2nd Pre- Board of Classes X and XII will go on as per the schedule, and 3rd Pre-Board for the two classes will be limited to the under performers only.

We have scheduled extra classes for X and XII from 6th to 10th January. The attendance for these classes will be mandatory. We also expect your meeting with us on 18th January if no last minute changes are there.

With kind regards,

Class teachers
