

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

The virtual classes, online support and e-tests will continue as usual in July 2020 as the school may not reopen for in-person classes. However, there may be a review of the number of online classes being conducted at the moment. The District Education Department has issued an advisory on online teaching. Therefore, we may do some changes in our online schedule within the directions. Further, a number of parents have raised their concerns on gadget availability, internet data and longtime on-screen learning. This matter is under consideration and the due action would be taken after an approval from the Management.

Online PTM for classes I to X and XII is scheduled on 6th July. It will be limited to one hour online interaction class-wise on Google meet app, wherein the focus will be on weekly tests for Classes I and II and First Periodic Test/Unit Test for III to X & XII. The marks of your ward(s) in First Periodic Test/Unit Test will be shared on whatsapp broadcast a day back for your information. You may also send whatsapp messages to your subject teachers on subject specific queries.

We may start Microsoft Team application for online classes from 7th July onwards. This platform is much safer and user-friendly compared to other available applications. We request you to download this app at the earliest and start using it within your home environment. We will issue an advisory on this app for your reference and self-orientation.

Further, it is yet again requested that you will ensure regular attendance of your ward(s) in online classes and encourage them to be well-prepared each day for these classes for optimum learning.

With kind regards,

Class Teachers
